SQUASH & RACKETBALL

COACHING PROGRAMME

RACKETBALL

Racketball is growing very fast in popularity in the UK and is the world's fastest growing racket sport – it was introduced at Ipswich Sports Club in 2010. There is now a small, but growing number of enthusiastic players within the Club and all new players are very welcome.

The Club now has a well-established Racketball Section which includes Box Leagues and a 'Club Play' every Monday evening which is open to all players and is a great way to try out the game for the first time.

For details on Racketball coaching courses for beginners, please see our Website or contact racketball@ipswichsports.co.uk.

- RACKETBALL is ideal for players of all ages and abilities.
- RACKETBALL is played on a standard Squash court and uses a larger bouncier ball and a racket with a larger head making the game easier to play.
- RACKETBALL players are therefore quick to enjoy a competitive game and a great workout!
- RACKETBALL is a great 'fat burner' as it encourages longer rallies therefore offering a fantastic aerobic workout!
- RACKETBALL uses most of your major muscle groups so it's also great for shaping and toning your body.

THE FUTURES FUND

Ali Livingstone, Director of Squash & Racketball, together with the ISC Squash & Racketball Academy, has created an initiative called the Futures Fund. Developing Squash is vitally important and particularly ensuring that our Juniors are given every opportunity to play the game and fulfil their potential. The Futures Fund will be ploughed back into grass roots activities and some of our most talented athletes to ensure that the ISC Squash Academy does everything it can to grow the sport we love. This is a completely non-profit making scheme and therefore every penny will be distributed back into the ISC Junior Development Programme. Participants within the programme will be able to bid for support – it may be to attend a coaching camp, a tournament or perhaps with costs associated with representing their country - and the panel will award funds in order to run initiatives led by the ISC Academy. For further information on the scheme or if you would like to contribute, please send an email to squash@ipswichsports.co.uk.

PLEASE NOTE:
The weekday **Junior Coaching Programme** runs during term time only.

The weekday **Adult Coaching Programme** runs throughout the year but may be subject to some changes in the summer months; please check with the coach.

Members (M) of Ipswich Sports Club receive a discount on all Junior coaching courses for multiple sessions and advanced bookings; Non-Members prices as shown (NM).
