Cardio & Strength

LES MILLS™ Body Combat

A vigorous cardio workout inspired by martial arts. The aim is to take you to an anaerobic level with some strength and flexibility benefits.

LES MILLS™ Body Pump

A weighted workout that strengthens the entire body. Challenge all major muscle groups in an organised routine to music.

LES MILLS™ Body Balance

Drawing from Yoga, Tai Chi and Pilates, this holistic workout is designed to improve flexibility and core strength. A great stress buster!

Cardio Core

A cardio based workout focused on toning and strengthening your whole core. A variety of equipment is used to keep your workout varied.

Cardio Tone

This workout combines cardio and body toning exercises and is perfect for those who want to burn fat as well as tone.

Body Blitz

An upbeat class combining cardio, strength and conditioning exercises with options given which are suitable to all abilities.

Kettlebells

Kettlebell training combines strength training with a cardio workout, to give you a full-body workout.

Legs, Bums & Tums

A full body workout that aims to tone up thighs, bum and stomach, all to the beat of music.

HIIT

A high intensity interval training class. Quick and intense bursts of exercise followed by short recovery periods. A fun and varied workout!

Dance

Zumba

Zumba is an interval style dance fitness class that uses mixed intensity dance moves to achieve your workout. You will burn lots of calories as you move to the rhythm to great music with Latin inspired dance routines.

DanceFit

Dance yourself fit to energetic music whilst burning off those calories. A range of dance type moves which you will find fun and challenging.

Core & Holistic

Hatha Yoga

Yoga means union, referring to the connection of body, spirit and mind improving strength and flexibility and toning of the body.

Pilates

A full body workout that challenges strength and flexibility to achieve stronger, leaner muscles and a more dynamic core.

Coreworks

Develop and strengthen everything including muscles in the front, back and sides of your body!

Spin

Spin

An indoor cycle exercise class with great music with a powerful beat. A workout for the heart, lungs and legs!
